Sneha Reddy

AI / ML Fresher

sneha.reddy@example.com | +91 90000 00004 | Chennai, India

Summary

B.Tech AI student seeking an ML internship. Completed projects in NLP sentiment analysis and image classification.

Skills

Python, Machine Learning, Deep Learning, NLP, PyTorch, scikit-learn, pandas, numpy, SQL, Git

Experience

• Project: Sentiment analysis of tweets using NLP and scikit-learn with model evaluation (accuracy, F1).

• Project: Image classifier built with PyTorch (deep learning). Data preprocessing with pandas and numpy.

• Internship: Short AI internship, worked on data cleaning and SQL queries.

Education

B.Tech Computer Science (AI), expected 2027 - CGPA 8.5

Additional

Quick learner with good teamwork and communication.
